

## Welcome Back

It has been so lovely to have our school filled with children again and we are all proud of how well they have settled into school again. They are all getting used to the new health and safety measures we have implemented around the school and are doing a great job keeping to them.

We would like to congratulate Harry and Summer in Year 6, who have been chosen to be our Head Boy and Head Girl this year. House captains have also been selected and there are new appointments of librarians to follow.

Thank you for all helping us with our staggered start and finish times. This is currently working well. When the weather gets colder, we will look at how we can adapt this to ensure safety is a priority.

From Monday 14th September we are asking all adults who enter the school grounds to wear a face covering unless exempt. Please also adhere to social distancing measures and do not gather outside on the path.

If ANY member of your household displays symptoms of Covid 19 please DO NOT send your child into school. The person with symptoms must get tested and only when a negative test can be proved will we allow the child back to school. We appreciate this is inconvenient, however we all must be vigilant to keep each other safe and well.

## PE Timetable for Term 1

Year 3 = Monday

Year 4 = Tuesday

Year 5 = Monday

Year 6 = Thursday

**Please ensure your child wears their PE kit to school with their school jumper on PE days.**

## Contact Details

Please ensure your contact details are kept up to date and include at least one mobile phone number and an email address. This will enable us to text/email you if the school needs to contact you.

## This Week in School...

...**Year 3** have settled in well this week. They designed their own t-shirts with the theme 'all about me' which are fantastic. In Maths they've been portioning numbers and in English they learnt about instructions. They have also looked at maps in Geography and started creating their own.

...**Year 4** have been learning Latin and creating Latin dictionaries. They have learnt the skills and rules involved in the traditional sport of handball. As part of their topic work they have researched Roman facts and learnt about the start of the Roman Empire.

...**Year 5** have started their new topic for this term 'The Anglo Saxons'. They have learnt about and drawn Anglo Saxon houses and started reading their class book 'Beowulf'. In Science the children have been researching different types of habitat and in Maths they have been practicing place value.

...**Year 6** have been exploring World War 2 through the book they are reading in class 'Goodnight Mr Tom'. They have also been showing their understanding of working with 7-digit numbers through place value investigation and rounding.

## Stars of the Week
