NSPCC Dress Up for Digits Day—7th February

On Friday 7th February 2020 we will be taking part in the *NSPCC's Dress up for Digits Day*. Children will be invited to wear non uniform with an item of clothing which has a number on it (football shirt, cap, netball shirt or even a homemade t-shirt!).

Multicultural Arts Week

Next week is multicultural arts week. Each class will be learning about the cultures of different countries by taking part in some fun activities.

Building Work Update

The old school building has now been demolished and the contractors will soon start landscaping the grounds at the back of the school. We are looking forward to the development of the playground.

If you think your child may be entitled to free school meals, please apply online where you will instantly find out if you are eligible. The information is sent directly to the school.

To use this service go to www.kent.gov.uk and click on the 'Free School Meals' link in 'Education'.

This Week in School...

...Year 3 have experienced a 1920s classroom, learning about the rules and what is expected of them in school. They have also been learning about magnet forces in science.

...Year 4 have been learning about the features of narrative texts in English and as part of their topic work they have made electrical circuits .

...Year 5 have been finding missing angles using protractors in maths. In English they have written their own biographies on Martin Luther King.

...Year 6 have created their own instructions on how to make a polyjuice potion. In maths they have started to explore algebra and as part of their topic work they have designed and created their own 'Pogs'.
